We did it! The three year contract was ratified with a vote of 116 to 68 (63%). A big thank you to the bargaining team that spent long hours working for us to get this contract done and to all you helped get us here. It takes a ton of work to get this done and we couldn't have done it without everyone who got involved.

The contract is reflection of the power that our membership demonstrate throughout the year. Each time you see a union shirt, button, sticker, or magnetic clip, we are demonstrating our commitment to solidarity.

The road to the next contract starts now. If we want to build on the progress we made this year, we need everyone to stand together. Each person that steps up to help makes our bargaining position that much stronger. Your coworkers are depending on you to make your voice heard.

Member Spotlight

Alejandra Castrejon

As a 12 year veteran of HSD, Mrs. Castrejon has seen first hand the positive impact that our bilingual staff have on our committees. As the bilingual secretary at Witch Hazel ES, you can find her most days in the front office.

We commend her on her tireless commitment to our students and their families. She helps keep the office running smoothly and connects families with resources in the building and at the district.

If you have a chance to stop by her school, make sure to take a moment and say thanks!

Know Your Contract

Personal Leave is now separate from sick leave! Most of the restrictions have been taken away and you can now take a day whenever. Here is what to keep in mind.

- Request must be submitted at least 2 days in advance
- Must have sub coverage lined up (if you normally get a sub)
- Must be pre-approved by HR.
- Can be taken a half day at a time.

Past Events

John Mason is wished a Happy Birthday at the Winter Social
